EVIT Radio to Broadcast East Valley High School Baseball & Softball

88.7 FM, The Pulse, and 90.7 FM, The Goldmine, the student radio stations at East Valley Institute of Technology (EVIT), will broadcast seven regular season East Valley high school baseball & softball games throughout the months of March and April. The schedule will feature a rematch of last year's 6A baseball state title game (Hamilton v. Pinnacle), last year's 6A state softball champion (Hamilton), as well as broadcasts from Chase Field in Phoenix and Sloan Park in Mesa.

The Pulse and The Goldmine are products of EVIT's Radio/Audio Production class, located at the Main Campus of EVIT. Both are public radio stations that showcase the talents of the students enrolled in the program.

EVIT Radio Instructor and longtime ESPN-Chicago broadcaster Dave Juday will oversee a staff of current EVIT Radio students, who will handle play-by-play, analyst and engineering duties for all of the broadcasts.

The Pulse and The Goldmine have established themselves as the go-to place for live radio coverage of high school athletics. Pulse Sports just wrapped up a 23-game regular season basketball broadcast schedule, following a football season in which The Pulse and The Goldmine broadcast a combined 20 games throughout the East Valley. This will be the second consecutive season that Pulse Sports has featured a 7-game high school baseball & softball broadcast schedule.

Current high school sophomores & juniors who are interested in sports broadcasting and learning more about The Pulse and the opportunities within the Radio/Audio Production program at EVIT, please contact Dave Juday at dave@pulseradio.fm.
